ABOUT US

Our clinic fosters collaboration among our team of Allied Health Professionals offering specialised services across multiple disciplines including Podiatry, Physiotherapy, Occupational Therapy, Exercise Physiology and Exercise Science. Our practitioner team is supported by our exceptional administration team. Located in Victoria's Western District, Hamilton offers a picturesque backdrop with ample exciting opportunities to explore.

We prioritise a modern, evidence-based approach to healthcare, emphasising professional development and work-life balance. We encourage specialisation into your interest areas and offer diverse patient cases and treatments including endorsement, paediatrics, general care, nail surgery, orthotics, exercise programs, prolotherapy and shockwave. We also work closely with the team at Active Feet Hamilton, our in clinic Podiatry based footwear store.

Our culture is guided by six core values, driving our mission of 'together strengthening the health of our local community'. With a vision to be a successful, sustainable Allied Health clinic that drives to meet the needs of our region.
